MEDICAM Installation Services

For the tri-state NJ, NY, PA, CT areas, Installation service takes place at-

MEDICAM HQ

651 Garden Street in Carlstadt, New Jersey

We are open from 8am-9pm EST

The Ambulance is brought to this New Jersey location, and left for installation.

Depending on scheduling, it can take anywhere from ½ a day, to 1 week to complete the install.

For all others location in the US and Canada, we offer remote installation services.

Our installers are certified, and the warranty on your install is a fully backed 18 month warranty.

For any questions, please call us at 888-557-5951
